INTRODUCTORY STATEMENT

and in war, at home or abroad. As the principal provider of the Army's Combat Service Support, the USAR continues to be an indispensable and deployed, and employed at the direction of the National Command Authority whenever needed to support the National Military Strategy in peace reliable member of the Total Army team. To ensure USAR units in the Contingency Force Pool (CFP) are maintained at the highest readiness The mission of the US Army Reserve (USAR) is to provide a trained and ready federal reserve force that can be rapidly mobilized, evel possible, the USAR has designed and implemented a system called "tiered resourcing" to prioritize limited resources to these early

United States Army Reserve (USAR) Forces. Additionally, the OMAR appropriation funds support for the Total Army in areas including records providing the support include civilian technician pay, supplies, fuel, equipment and base operations support. Funding is provided in two budget The Operation and Maintenance, Army Reserve (OMAR) appropriation funds operational, logistical, and administrative support for the activities: Budget Activity One (Operating Forces) consists of the following subactivities: Base Support, Depot Maintenance, Recruiting and Retention, and Training Operations; and Budget Activity Four (Administrative Support and Service-Wide Activities) consists of the following maintenance, civil-military programs, and personnel and administrative support to retirees, veterans, and their families. Costs incurred in subactivities: Information Management, Personnel Administration, Public Affairs, and Staff Management.

230,000 / 215,000 Army Reserve Personnel end strength with 10,590 / 10,486 civilian end strength. This civilian end strength also includes The FY 1996 / 1997 OMAR budget request of \$1,068.6 / \$1,033.6 million, respectively, provides training and support to a force of military technicians of 6,409 / 6,309.

installations/sub-installations, contract and manpower management. OMAR appropriation also transferred \$115 thousand to TRADOC (OMA) to FY 1996 / 1997 with the fielding of the M915/M916 series trucks and heavy equipment transports (HET) for additional transportation roles and The FY 1996 / 1997 OMAR budget provides funds to assist the USAR in the migration of its combat aircraft to the US Army National accordance with the Off-Site Agreement restructuring the Reserve Component. The support role of the USAR will be further enhanced in Guard (USARNG) and the transfer of Military Police and some Combat Service Support units from the USARNG to the Army Reserve, in missions. This budget also includes a transfer of \$3.7 million from Operation and Maintenance, Army to support the ownership of four support the Warrant Officer Candidate School for Reserve Component training. In FY 1996 / 1997, \$38.5 / \$35.6 million, respectively, is requested to fund various Class I environmental compliance projects, corrective actions, and training programs to improve day-to-day operations.

Budget Activity: Operating Forces and Administrative Support and Service Wide Activities

Budget Activity Group: Mission Operations Summary

1. Description of Operations Financed:

FY 1996/1997 Active Guard and Reserve (AGR) and civilian end strengths supported by the appropriations are 11,575/11,550 and 10,590/10,486 operating and maintaining the U.S. Army Reserve (USAR). This package provides for the training and operational support of a 230,000/215,000 Reserve Forces, this appropriation provides functional support for communications, logistical functions, and recruiting essential to training and Army Reserve Personnel end strength in the Selected Reserve in FY 1996/1997, respectively. In addition to direct support of the U. S. Army respectively. Included are pay and benefits of civilian personnel and support for operation of 1,113 U. S. Army Reserve Centers, 126 Area readiness improvement. This appropriation also includes the Army Reserve's share of the Readiness Groups and civil-military programs. The Operation and Maintenance, Army Reserve mission account finances all costs, except military (Active and Reserve) pay, of Maintenance Support Activities (AMSA), 34 Equipment Sites (ECS), 59 Regional Training Sites, and 27 Aviation Support Facilities.

II. Force Structure Summary:

costs specifically identified and measurable to the units comprising the approved Army Reserve force structure, including mobilization base units, training, medical, and reserve readiness support activities. It also provides for related individual training support activities and maintenance and This package provides for manpower authorization, individual and support equipment, necessary facilities including ADP and associated repair of USAR equipment performed at unit level, at Area Maintenance Support Activities (AMSA), Equipment Concentration Sites (ECS), and Depots.

February 1995 Page 26

Budget Activity Group: Mission Forces

Sub-Activity Group: Training Operations

Description of Operations Financed:

SERVICE SUPPORT TO FEDERAL EMERGENCY MANAGEMENT AGENCY: USAR units with a mobilization mission to support the Federal Emergency Management Agency (FEMA). DIVISION FORCES: USAR units specifically designated to roundout Active Component divisions and deploy with their affiliated division on mobilization. Excludes USAR combat and tactical support units not specifically designated to roundout an Active Army division.

NONDIVISIONAL COMBAT BRIGADES/REGIMENTS: USAR TOE units assigned to separate brigades/regiments.

require dedicated Active Component unit assistance to meet deployment schedules. Augmentation units deploy with or immediately after Active Component sponsors on mobilization. Excludes USAR division roundout units and other combat and tactical support units not specifically Component divisions. Also includes USAR nondivisional combat units which neither roundout nor augment Active Component units, but which NONDIVISIONAL COMBAT UNITS (AFFILIATED): USAR Nondivisional combat units specifically designated to augment Active designated as affiliated nondivisional combat units.

TACTICAL SUPPORT FORCES (AFFILIATED): USAR separate support units specifically designated as being affiliated with Active Component units to improve their deployment capability. Excludes USAR separate support units not specifically designated as being affiliated

NONDIVISIONAL COMBAT UNITS (NONAFFILIATED). USAR nondivisional combat units having the primary mission of supporting military operations in Europe, the Pacific, and other areas as required. Excludes affiliated units.

Budget Activity Group: Mission Forces

Sub-Activity Group: Training Operations

Description of Operations Financed (Con't):

communications, intelligence, medical, logistics, administrative, and other tactical support to military operations in Europe, the Pacific, and other TACTICAL SUPPORT FORCES (NONAFFILIATED): USAR tactical support units having the primary mission of providing areas as required. Excludes affiliated tactical support forces. THEATER DEFENSE FORCES: USAR units whose primary mission upon mobilization is to deploy to provide for the theater defense of Alaska, Iceland, Panama, and the Caribbean and provide engineering support to the U. S. Air Force. Excluded are Special Forces, Psychological Operations (PSYOP) and Civil Affairs units.

appropriation transfer from DOD Counternarcotics funds account. These activities will only be those approved by the Secretary of Defense and USAR SUPPORT TO CINC COUNTER- DRUG ACTIVITIES: USAR activities in execution of CINC Counternarcotics Programs by supported by specific appropriation from OSD. Excludes baseline activities for counternarcotics resourced in standard service and special operations activities. INTELLIGENCE SUPPORT ACTIVITIES: USAR strategic intelligence units with primary mission of augmenting the intelligence activity upon mobilization.

PORT TERMINAL OPERATIONS: USAR units with a mobilization mission to augment port terminal operations in the Continental United States.

INFORMATION MANAGEMENT -- MISSION DATA PROCESSING FACILITIES: Provides civilian pay and military support costs in support of analysis, design, programming, operation, and maintenance of mission data processing facilities as well as costs of supplies, equipment, and other costs necessary for the support of mission data processing.

February 1995 Page 28

Budget Activity Group: Mission Forces

Sub-Activity Group: Training Operations

Description of Operations Financed (Con't):

measurable to the USAR and includes: Spouse employment, relocation assistance, crisis referral and aid for families, financial management FAMILY CENTERS, ARMY RESERVE: Facilities, supplies and support equipment and associated costs specifically identified and planning, information concerning family support resources, and services for families with special needs.

understanding of the National Guard and US Army Reserve, and to enlist the support of American employers in the development of personnel policies and practices which will encourage employee participation in Guard and Reserve programs. Resources provide civilian pay, travel, NATIONAL COMMITTEE FOR EMPLOYER SUPPORT OF THE GUARD AND RESERVE (NCESGR): Established to develop advertising, mail distribution, maintenance of exhibits, supplies and ADP support.

Maintenance Support Activities (AMSA), and/or the Equipment Concentration Sites (ECS). Excludes Direct Support/General Support (DS/GS) MAINTENANCE ACTIVITIES: Provides support for the maintenance and repair of USAR equipment performed at the unit level, Area maintenance performed in installation maintenance shops and depot maintenance, except for combat vehicle maintenance.

specifically identified and measureable to members (or manpower spaces) of the Individual Ready Reserve (IRR), who cannot be associated with UNDISTRIBUTED IRR: Manpower authorizations, peculiar and support equipment, necessary facilities and the associated costs the active force elements that they augment upon mobilization.

RECRUIT TRAINING: USAR units with the mobilization mission to augment the training base in the Continental United States on mobilization. Includes training divisions, Military Police, and armor training brigades.

Budget Activity Group: Mission Forces

Sub-Activity Group: Training Operations

1. Description of Operations Financed (Con't):

Also includes flight training and costs associated with Individual Ready Reservists (IRR). Excludes recruit training, base operations for training temporary (TDY) and return status. Includes programs, schools, and other resources dedicated to the training support of active reserve forces. PROFESSIONAL AND SKILL PROGRESSION TRAINING: Provides support for individual training of USAR AGR personnel in a facilities, and O&M costs of active duty schools and training centers. MEDICAL SUPPORT UNITS: USAR medical support units with the mobilization mission to support the training and operating base in the Continental United States during initial stages of mobilization. Excludes medical units assigned to tactical support and the special mission forces

MOBILIZATION BASE UNITS: USAR units with the mission to augment the operating base in the Continental United States during initial stages of mobilization. Excludes Army Reserve Commands, U.S. Army FEMA Support Detachments, and Selective Service Detachments.

RESERVE READINESS SUPPORT: Provides support for Army Reserve Commands, Reserve Readiness Groups, Army Readiness advisors, incremental Active Component costs incurred in support of affiliated Reserve Component (National Guard and USAR) units and installation training support.

II. Force Structure Summary:

costs specifically identified and measurable to the units comprising the approved Army Reserve force structure, including mobilization base units, This package provides for manpower authorization, individual and support equipment, necessary facilities including ADP and associated training, medical, and reserve readiness support activities. It also provides for related individual training support activities and maintenance and repair of USAR equipment performed at unit level, at Area Maintenance Support Activities (AMSA), Equipment Concentration Sites (ECS), and Depots.

V. Personnel Summary

This Budget Sub-Activity Group currently does not have personnel costs associated with it.

Budget Activity Group: Mission Operations

Sub-Activity Group: Base Operations

1. Description of Operations Financed:

and dry cleaning, food services, personnel support, and administration for Army Reserve Installations, Regional Support Commands, and Army BASE OPERATIONS: Provides for functions of an installation support nature such as maintenance of material, transportation, laundry Reserve Commands. Also provides for real property leases.

conditioning/w Cold storage units), and other other engineering support (custodial, entomology, recycling, refuse collection, snow and ice removal UTILITIES AND OTHER ENGINEERING SERVICES: Provides for operation of utilities (electricity, water, sewage, heating fuels, air and fire protection).

measurable to environmental compliance, pollution prevention and conservation. These funds are primarily for hazardous waste management to include travel, supplies, permits, fees, support equipment, service and construction contracts. These funds are also for spill contingency and applicable environmental laws and requlations. Applies to manpower, training, contracts and the associated costs specifically identified and ENVIRONMENTAL COMPLIANCE/POLLUTION PREVENTION/CONSERVATION: Includes direct costs required to comply with response actions, radon and asbestos hazards identifications and abatement, and environmental audits and planning.

BASE COMMUNICATIONS: Includes installation, operation, maintenance, augmentation, modification, rehabilitation, and leasing of USAR non-tactical communications terminal and switching facilities. Also includes communications support of annual training activities. MAINTENANCE AND REPAIR OF REAL PROPERTY: Provides for the maintenance and repair of real property in all facility categories. Includes the annual recurring requirements (ARR) needed to keep facilities in serviceable condition and to prevent premature deterioration of the physical plant. The ARR consists of scheduled work such as painting and roofing, minor repairs such as fixing electrical outlets, plumbing fixtures, or air conditioning units and preventive maintenance.

Budget Activity Group: Mission Operations

Sub-Activity Group: Base Operations

Description of Operations Financed (Con't):

installation to another for projects costing less than \$300 thousand. Includes design costs directly associated with accomplishing a designated project undertaking. Also includes alterations and minor construction of facilities when accomplished from funds made available for the operation and maintenance of facilities. Excludes the cost of minor construction projects financed by military construction funds. MINOR CONSTRUCTION: Provides for the erection, installation, or assembly of a new real property facility; the addition, expansion, extension, alteration, conversion, or replacement of an existing real property facility; or the relocation of a real property facility from one

Force Structure Summary

This package provides for the FY 1996/1997 civilian end strength of 1,628 and 1,630 respectively. Included is support for the operation ot 1,104 U.S. Army Reserve Centers, 130 Area Maintenance Support Activities, 34 Equipment Concentration Sites, 59 Regional Training Sites, and 27 Aviation Support Facilities. This sub-activity group will support the installation management of four new installations transferred to the USAR.
